

Ring Diameter Measure

This tool will help you determine both your finger size and ring size if you are not sure what it is.

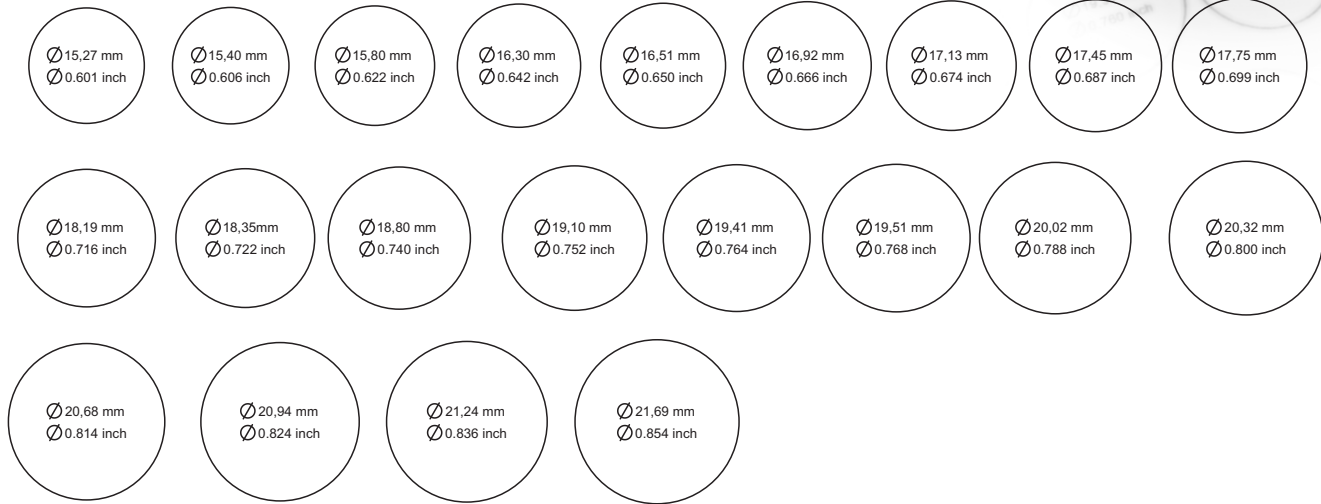

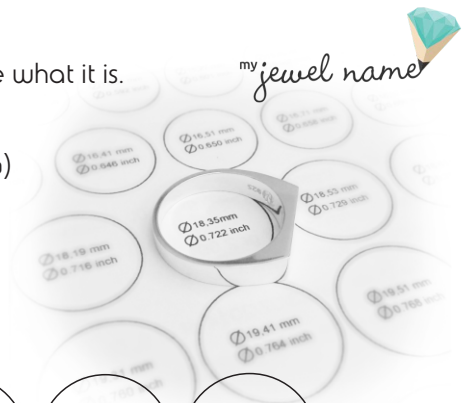

METHOD 1

Step 1: Print the circle table below with exact size. (Set printer as paper size of 100%)

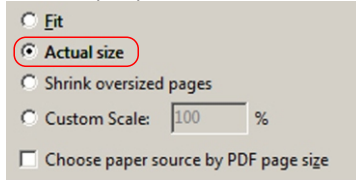

Step 2: Place your current ring with appropriate size over the circles below, matching the inside edge of the ring to the circle nearest in size.

Step 3: Choose the larger size in case the rings falls between two sizes

ATTENTION: Please ensure that your print settings are at 100% when printing the page and that it is not being shrunk to fit on the page.
